

Hello wonderful you!

It is me, Mrs Page. This is me:

I am writing to you because I am thrilled that you are going to be in my new class. I can't wait to get to know you and am really looking forward to us learning together. These are a few of my favourite things:

Pizza

Rhinos

Books

Lego

My family

I have lots of favourite books and one of the things I love to do is read stories to my class. I also love to sing and teach new songs.

In my class you will have your own tray to keep your things safe and your own peg to hang your things on. We will show you around our school so you know where we will have lunch, play and go to the toilet. I will always explain each morning what is going to happen that day.

On your transition visits we will spend time playing together, doing lots of fun activities and games to get to know each other. I also need your help with some learning activities so I can find out all about you and what you already know. This will help me to know what I need to teach you in September.

In EYFS you will get to play and learn in the classroom and outside!

Mrs Gardner will support our learning every day. She loves colouring, reading, playing in the role play and of course,

Miss Stubbs will teach our class on Tuesday afternoons. She loves singing, dancing, messy play and eating crisps!

We can't wait to meet you. See you soon!
