

	EYFS	YEAR 1	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
Autumn 1	I know the number names in order to, at least, 5.	I can read and write numbers 1-10, at least, in numerals	I can automatically recall addition and subtraction number bonds for numbers to, at least, 20	I know multiplication and division facts for the 2x table	I know the complement of any number to 100	I know inverse facts for all multiplication tables	I know factor pairs
Autumn 2	I know the number names in order to, at least, 10.	I can read and write numbers 1-20, at least, in numerals	I can tell the time to quarter past the hour	I can tell the time to five minutes using 'past' and 'to' the hour	I can tell the time to the nearest minute	I can identify multiples of a given number	I can use my knowledge of multiplication facts to derive scaled facts (e.g. 60×4 using 6×4 and 0.6×4 using 6×4)
Spring 1	I can instantly show the correct number of fingers when given a number to, at least, 5	I know the days of the week and can use language such as yesterday and tomorrow	I know addition and subtraction facts of multiples of 10 to 100, using my number bonds	I know multiplication and division facts for the 4x table	I know multiplication and division facts for the 6x and 7x table	I can identify factors of a given number	I can use my knowledge of division facts to derive scaled facts (e.g. $240 \div 6$ using $24 \div 6$ and $2.4 \div 6$ using $24 \div 6$)
Spring 2	I know which pairs make a given number to, at least, 5	I can automatically recall addition number bonds for numbers to, at least, 10	I know multiplication and division facts for the 10x table	I know multiplication and division facts for the 8x table	I know multiplication and division facts for the 9x, 11x and 12x table	I can multiply and divide whole numbers by 10 and 100	I know fraction, decimal and percentage equivalents
Summer 1	I can instantly show the correct number of fingers when given a number to 10	I can automatically recall addition and subtraction number bonds for numbers to, at least, 10	I can tell the time to quarter to the hour	I know multiplication and division facts for the 3x table	I know multiplication and division facts to 12×12	I can round any number to the nearest 10, 100 and 1000 within 100,000	I can multiply and divide numbers, including decimals, by 10, 100 and 1000
Summer 2	I know which pairs make a given number to, at least, 10	I can tell the time to the hour and half past the hour	I know multiplication and division facts for the 5x table	I know what 10 or 100 more / less than a given number is	I know commutative facts for all multiplication tables	I know fraction, decimal and percentage equivalents of $\frac{1}{2}$, $\frac{1}{4}$, fifths and tenths	I can convert between common standard units of metric measure
